

Tree::exportProof

```
graph LR; A[Tree::exportProof] --> B[SemanticTableaux::Export Proof]
```

A diagram showing a mapping from a function in the `Tree` module to a function in the `SemanticTableaux` module. A grey rectangular box on the left contains the text `Tree::exportProof`. A dark blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text `SemanticTableaux::Export Proof` on two lines.
